

## Fill in the gaps

The smile of dawn arrived (1) May	There's a picture (13) a thousand words
She carried a gift (2) her home	Eluding (14) from faces (15)
The night (3) a tear to tell her of fear	me
And of sorrow and pain	It (16) (17) and (18)
She'll never outgrow	(19) be heard of again
Death is the first dance, eternal	Deceit is the second without end
There's no more freedom	The city's (20) (21) teaches us t
The both of you will be confined	survive
To this mind	Just keep my heart in your eyes and we'll stay alive
I was told there's a miracle for each day that I try	The (22) arrives
I was told there's a new (4) that's born	Before the leaves have fallen
For (5) one (6) has died	Before we lock the doors
I was told there'd be no one to call on	There must be the (23) and last dance
When I (7) alone and afraid	This one will last forever
I was told if you dream of the next world	Metropolis watches and thoughtfully smiles
You'll find yourself (8) in a lake of fire	She's taken you to your home
As a child, I thought I (9) live	It can only take place
(10) pain	When the struggle between
Without sorrow	Our children has ended
As a man I've found it's all (11) up	Now the Miracle and the sleeper know
(12) me	That the third is love
I'm asleep yet I'm so afraid	Love is the (24) of Eternity
Somewhere like a scene from a memory
