

## Fill in the gaps

Angie, Angie	Oh, Angie, don't you weep
When (1) those clouds all disappear?	All your kisses still taste sweet
Angie, Angie	I hate that sadness in your eyes
Where (2) it lead us from here?	But Angie, Angie
With no loving in our souls	Ain't it time we said goodbye?
And no money in our coats	With no loving in our souls
You can't say we're satisfied	And no (5) in our coats
But Angie, Angie	You can't say we're satisfied
You can't say we never tried	But Angie, I still (6) you, baby
Angie, you're beautiful, yeah	Ev'rywhere I look I see your eyes
But ain't it time we (3) goodbye?	There ain't a woman (7) comes close to you
Angie, I still love you	Come on baby, dry your eyes
Remember all those nights we cried?	But Angie, Angie
All the dreams we held so close	Ain't it good to be alive?
Seemed to all go up in smoke	Angie, Angie
Let me whisper in (4) ear	They can't say we (8) (9)
Angie, Angie
