

## Fill in the gaps

I sit around and (1) the tube	And I smell like shit
But nothing's on	I got no motivation
I (2) the (3) for an hour	Where is my motivation?
or two	No time for motivation
Twiddle my thumbs just for a bit	Smoking my inspiration
I'm (4) of all the (5) old shit	Sit (16) and watch the phone
In a house with unlocked doors	But no one's calling
And I'm (6) lazy	Call me pathetic call me (17) you will
Bite my lip and close my eyes	My mother (18) to get a job
Take me (7) to paradise	But she don't (19) the one she's got
l'm so (8) (9) l'm going blind	When masturbation's lost its fun
And I smell like shit	You're (20) lonely
Peel me off this velcro seat	Bite my lip and close my eyes
And get me moving	Take me away to paradise
I'm sure as (10) can do it by myself	I'm so damn (21) I'm (22) blind
I'm (11) like a dog in heat	And (23) has to suffice
Barred (12) from the (13)	Bite my lip and close my eyes
street	Slipping away to paradise
I locked the door to my own cell	Some say "Quit or I'll go blind"
And I lost the key	But it's just a myth
Bite my lip and (14) my eyes	
Take me (15) to paradise	
I'm so damn bored	
I'm going blind
