

## Fill in the gaps

There's a shadow just (1) me	Something but what's past and done?
Shrouding (2) (3) I take	Why can't we not be sober?
Making (4) (5) empty	I just (14) to start this over
Pointing every finger at me	Why can't we (15) forever?
Waiting like the stalking butler	I just want to (16) (17) over
Whom upon the (6) rests	I am just a (18) liar
Murder now the (7) called "must we"	I am just an imbecile
Just because the Son has come	I will only complicate you
Jesus, won't you fucking whistle	Trust in me and (19) as well
Something but what's past and done?	I will (20) a center in you
Jesus, won't you fucking whistle	I will chew it up and leave
Something but what's past and done?	Trust me
Why can't we not be sober?	Trust me
I just want to start (8) over	Trust me
Why can't we drink forever?	Trust me
I just want to (9) this over	Trust me
I am just a worthless liar	Why can't we not be sober?
I am (10) an imbecile	I just (21) to (22) this over
I (11) only complicate you	Why can't we sleep forever?
Trust in me and fall as well	I (23) want to start (24) over
I will find a center in you	I want what I want
I will (12) it up and leave	I (25) what I want
I (13) work to elevate you	I want what I want
Just enough to bring you down	I want what I want
Mother Mary, won't you whisper	
Something but what's past and done?	
Mother Mary, won't you whisper
