

Fill in the gaps

who care

Why are we fighting	I can't look in the mirror
Why are we lying	And see myself standing there
Maybe God come (1) me out	All I see is an illusion
But he can't see the damned in this crowd	Fighting a war against the ones who care
Did I (2) it all	No need for saving
How did I (3) the call	Just set me free
Conform me to an (4) of a doll	Once I was young now I'm old
Break me up against his wall	To see the truth that hides in me
I can't look in the mirror	I can't look in the mirror
And see (5) standing there	And see myself standing there
All I see is an illusion	All I see is an illusion
Fighting a war against the ones who care	Fighting a war against the (9) who
No (6) for saving	No need for saving
Just set me free	Just set me free
Can you please forgive me	I just can't look in the mirror
Words can't say the makings	And see (10) standing there
Buildings crumble (7) under	All I see is an illusion
And lovers crash at the sound of thunder	Fighting a war against the ones who care
I once believed	No need for saving
Honesty was key	Just set me free
But I can't stay and live this way	
'Cuz every (8) I stand you take it away
