

Fill in the gaps

Well the sky broke in two
Found you dancing alone
Then the (1) filled up with you
And that song we both know
That's (2) you caught me with your eyes
And (3) shivers down my spine
And then you whispered in my ear
You said "I can feel it too"
And then you (4) me into you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
Tonight
Through all of science and history
Well nothing's ever stock (5) me
But now I'm locked on to you
And I'm holding on to
The (6) thing I know

And now i'm never letting go
Tonight
I got you where I want you
Closer I can tell you anything
You're the (7) that I sing
Tonight
Let the music take us over
We'll fall (8) forever, all is right
Cause I got you where I want you
Tonight, tonight
The whole world (9) fall away
But you and I
No we won't be afraid
Tonight
I got you (10) I want you
Closer I can tell you anything
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
I got you where I want you
Tonight
