(Da da, da da, da da da da da)	So take a breath of mist and mystery
Shipwreck in the sea of faces	And don't look back!
There's a dreamy (1) up there	Birdseye view
Dear friends in higher places	Awake the stars 'cause they're all around you
Carry me away from here	Wide eyes will always brighten the blue
Travel light let the sun (2) you	Chase your dreams, and remember me, speak bravery
'Cause your flight is about to leave	Because after all those wings will take you, up so high
And there's (3) to (4) brave adventure	So bid the forest a fond goodbye
Than you'd ever believe	As you brace the (7) and
Birdseye view	Take to the sky
Awake the stars 'cause they're all around you	There's a (8) above the trees
Wide eyes will always brighten the blue	Touch your feathers to the breeze (And leave the ground)
Chase your dreams, and remember me, speak bravery	Birdseye view
Because (5) all those wings will take you, up so	Awake the stars 'cause they're all around you
high	Wide eyes will always brighten the blue
So bid the forest a fond goodbye	Chase your dreams, and (9) me, speak
As you brace the wind and	bravery
Take to the sky	Because after all those (10) will take you, up so
You take to the sky	high
(Da da, da da da da da da da)	So bid the forest a fond goodbye
On the hills of lore and wonder	As you brace the wind and
There's a stormy world up there	Take to the sky
You can't whisper (6) the thunder	You take to the sky
But you can fly anywhere	You take to the sky
Purple burst of paper birds this
