

Fill in the gaps

Ten (1) from (2) and I (3)	After the (17) we've been through
(4) down	'Cause I (18) there's no life after you
Spittin' out smoke on the side of the road	You and I, right or wrong, there's no other one
I'm out here alone just tryin' to get home	After this time I spent alone
To tell you I was (5) but you already know	It's hard to believe that a man with sight (19) be
Believe me I won't stop at nothin'	so blind
To see you so I've (6) runnin'	Thinkin' 'bout the better times, must've been outta my mind
All that I'm after is a life (7) of laughter	So I'm runnin' back to tell you
As long as I'm laughing with you	All (20) I'm after is a life full of laughter
I'm thinkin' that all that (8) matters is love	Without you God knows what I'd do
(9) after	All that I'm (21) is a life full of laughter
After the life we've been through	As (22) as I'm laughing with you
'Cause I know there's no life after you	I'm thinkin' that all that (23) matters is love ever
Last time we talked, the night that I walked	after
Burns (10) an iron in the back of my mind	After the (24) we've (25) through
I must've been high to say you and I	(yeah!)
Weren't meant to be and just (11) my time	I know there's no life (26) you
Oh, why did I ever doubt you?	I (27) there's no life after you
You know I (12) die (13) without you	I (28) there's no life after you
All that I'm after is a (14) full of laughter	I know there's no life after you
As (15) as I'm laughing with you	I know there's no life after you (yeah)
I'm thinkin' that all (16) still matters is love ever
