

## Fill in the gaps

Ten miles from town and I just (1) dow	n	
Spittin' out smoke on the side of the road		
I'm out here alone just tryin' to get home		
To tell you I was wrong but you already know		
Believe me I won't stop at nothin'		
To see you so I've started runnin'		
All that I'm after is a life full of laughter		
As long as I'm laughing with you		
I'm thinkin' that all that still matters is love ever after		
After the life we've been through		
'Cause I know there's no life after you		
Last time we talked, the (2) that I walked	ed	
Burns like an iron in the back of my mind		
I must've (3) high to say you and I		
Weren't meant to be and just wasting my time		
Oh, why did I ever doubt you?		
You know I (4) die here without you		
All that I'm after is a life full of laughter		
As long as I'm laughing with you		
I'm thinkin' that all that still matters is love ever after		

After the life we've been through		
'Cause I know there's no life (5)	you	
You and I, right or wrong, there's no other one		
After this time I spent alone		
It's hard to (6) th	at a man with sight could	
be so blind		
Thinkin' 'bout the better times, must've been outta my mind		
So I'm runnin' back to tell you		
All that I'm after is a (7) fu	ull of laughter	
Without you God knows what I'd do		
All that I'm after is a life (8)	of laughter	
As long as I'm laughing with you		
I'm thinkin' (9) all that still	matters is love ever after	
After the life we've (10) th	nrough (yeah!)	
I know there's no life after you		
I know there's no life after you		
I know there's no life after you		
I know there's no life after you		
I know there's no life after you (yeah)
