

## Fill in the gaps

Was a (1) and dark December	Bury me in honor
From the (2) I remember	When I'm dead and hit the ground
There was snow	A (15) home unfolds
White snow	If you love me
Clearly I remember	Won't you let me know?
From the (3) they (4) watching	I (17) want to be a soldier
While we (5) below	With the captain of some sinking ship
When the future's architectured	With snow, far below
By a (7) of (8) on show	So if you love me
You'd better lie low	Why'd you let me go?
If you love me	I took my love (18) to (19) hill
Won't you let me know?	There we sat in snow
Was a (9) and dark December	All that time she was silent still
When the (10) (11) cathedrals	So if you (20) me
And the fog	Won't you let me know?
Became God	If you love me
Priests clutched onto bibles	Won't you let me know?
And (12) out to fit their rifles	
And the (13) was (14) aloft
