Watch it burn

Fill in the gaps

The Great Escape by Boys Like Girls

Paper bags and plastic nearts		Let it die		
All are (1)	in shopping carts	'Cause we are finally free tonight		
It's goodbye		All of the wasted time		
But we got one more night		The (6)	(7)	were left behind
Let's get drunk and (2)	around	The answers that we'll never find		
And make peace (3) an empty town		They don't mean a thing tonight		
We can make it right		Throw it away		
Throw it away		Forget yesterday		
Forget yesterday		We'll make the (8)		escape
We'll make the great escape		We won't (9) a word they say		
We won't hear a word they say		They don't (10) us anyway		
They don't know us anyway		Throw it away		
Watch it burn		Forget yesterday		
Let it die		We'll make the great escape		
'Cause we are finally free tonight		We won't hear a word they say		
Tonight will change our lives		They don't know us anyway		
It's so good to be by your side		Throw it away		
But we'll cry, (no)		Forget yesterday		
We won't give up the fight		We'll make the great escape		
We'll scream (4) at the	e top of our lungs	We won't hear a word they say		
And they'll think it's just cause we're young		They don't know us anyway		
And we'll (5) so alive		Watch it burn		
Throw it away		Let it die		
Forget yesterday		'Cause we are finally free tonight		
We'll make the great escape				
We won't hear a word they say				
They don't know us anyway
