

Fill in the gaps

(Ah ah ah)		To change your tune	
You must think I'm a fool		Don't look back	
So (1) and awkward and all		If I'm a weight around (8)	neck
D'you think you've got me down?		Cos if you don't need me	
D'you think I've never been out of this town?		I don't need you	
Do I seem too (2) to (3)	to you		
now?		l don't (9) you	
You don't know me at all			
I can't turn it on, turn it off like you now		Leaving so soon, soon	
I'm not like you now		Leaving, leaving so, soon	
Now you're here			
I bet you're wishing you could disappear		You're leaving so soon	
I'm trying to be kind		Never had a chance to bloom	
I get the feeling you're just killing time		But you were so quick	
You look (4) on me		To change your tune	
Don't you look (5) on me now		Don't (10) back	
You don't (6) me at all		If I'm a weight around your neck	
A slap in the face		Cos if you don't need me	
In the face for you now		I don't need you	
Just might do now			
You're leaving so soon			
Never had a chance to bloom			
But you (7) so quick
