## Getting Away With Murder by Papa Roach

Somewhere beyond (1) and sadness	Getting away, getting away, getting away, getting away
I need to calculate	Getting away, getting away, getting away
What creates my own madness	Getting away with murder
And I'm addicted to your punishment	Somewhere beyond happiness and sadness
And you're the master	I need to calculate
And I am waiting for disaster	What creates my own madness
I (2) irrational	And I'm addicted to (7) punishment
So confrontational	And you're the master
To (3) the truth again	And I am craving this disaster
I am getting away with murder	I feel irrational
It isn't possible	So confrontational
To never tell the truth	To tell the truth again
But the reality is I'm getting away with murder	I am getting away with murder
Getting away, (4) away, getting away	It isn't possible
I drink my (5) and I don't even (6) to	To never tell the truth
I think my thoughts when I don't even need to	But the reality is I'm getting away with murder
I never look back cause I don't even want to	Getting away, (8) away, getting away
And I don't need to	I (9) irrational
Because I'm getting away with murder	So confrontational
I feel irrational	To tell the truth again
So confrontational	I am getting away with murder
To tell the truth again	It isn't possible
I am getting away with murder	To never tell the truth
