Getting Away With Murder by Papa Roach

Somewhere beyond happiness and sadness	Getting away, (10) away,
I need to calculate	(11) away, (12) away
What creates my own madness	Getting away, getting away, getting away, getting away
And I'm (1) to your punishment	Getting away with murder
And you're the master	Somewhere beyond happiness and sadness
And I am waiting for disaster	I need to calculate
I (2) irrational	What creates my own madness
So confrontational	And I'm (13) to (14)
To tell the truth again	punishment
I am getting (3) with murder	And you're the master
It isn't possible	And I am (15) this disaster
To (4) tell the truth	I (16) irrational
But the reality is I'm getting away with murder	So confrontational
Getting away, (5) away, getting away	To tell the (17) again
I drink my drink and I don't even want to	I am (18) (19) with murder
I think my (6) when I don't even need to	It isn't possible
I (7) look back cause I don't even want to	To never tell the truth
And I don't need to	But the reality is I'm getting away (20) murder
Because I'm getting away with murder	Getting away, (21) away, getting away
I feel irrational	I (22) irrational
So confrontational	So confrontational
To (8) the truth again	To tell the (23) again
I am getting away with murder	I am getting (24) with murder
It isn't possible	It isn't possible
To (9) tell the truth	To never tell the truth
But the reality is I'm getting away with murder	But the reality is I'm getting away (25) murder
