

Fill in the gaps

You Oughta Know by Alanis Morissette

I want you to know, that I am happy for you
I wish nothing but the best for you both
An older version of me
Is she perverted like me?
Would she go down on you in a theater?
Does she speak eloquently
And would she have your baby?
I'm sure she'd (1)_____ a really excellent mother
'Cause the love (2)_____ you gave (3)_____ we
made
Wasn't (4)_____ to make it enough for you
To be (5)_____ wide, no...
And every time you (6)_____ her name
Does she know how you (7)_____ me
You'd hold me (8)_____ you died
Till you died, but you're still alive
And I'm here, to remind you
Of the mess you left when you went away
It's not fair, to deny me
Of the (9)_____ I bear that you gave to me
You, you, you oughta know
You seem very well, things look peaceful
I'm not (10)_____ as well, I thought you should know
Did you forget about me, Mr. Duplicity?
I hate to bug you in the middle of dinner
It was a slap in the face
How quickly I was replaced
And are you thinking of me when you (11)_____ her?
'Cause the (12)_____ (13)_____ you gave
(14)_____ we made
Wasn't able to make it enough for you

To be open wide, No
And every time you speak her name
Does she know how you told me
You'd hold me (15)_____ you died
Till you died, but you're still alive
And I'm here, to (16)_____ you
Of the (17)_____ you left when you went away
It's not fair, to (18)_____ me
Of the cross I bear that you (19)_____ to me
You, you, you oughta know
...
'Cause the joke that you laid in the bed
That was me and I'm not (20)_____ fade
As soon as you close your eyes, and you know it
And (21)_____ time I scratch my nails
Down someone else's back I hope you feel it
Well, can you feel it?
And I'm here, to remind you
Of the mess you left when you went away
It's not fair, to deny me
Of the cross I (22)_____ that you gave to me
You, you, you oughta know
And I'm here, to remind you
Of the mess you left when you went away
It's not fair, to (23)_____ me
Of the (24)_____ I bear that you (25)_____ to me
You, you, you oughta know

Answer

1. make
2. that
