

I'm waiting for my moment to come

Fill in the gaps

I'm (1) for the movie to begin	٧
I'm waiting for a revelation	T
I'm waiting for someone to (2) me in	٧
Because now I (3) see my dreams in everything I	D
touch	D
Feel their (4) hands on everything that I love	D
Cold like some magnificent skyline	D
Out of my (5) but always in my eye line	
Now we're tumbling down	
We're spiralling	
Tied up to the ground	
We're spiralling	٧
I fashioned you from jewels and stone	٧
I made you in the (6) of myself	lr
I gave you everything you wanted	٧
So you would never know anything else	٧
But every time I reach for you	٧
You slip through my fingers	T
Into cold sunlight	٧
Laughing at the things that I had planned	
The map of my (7) (8) smaller as I sit	
here	
Pulling at the loose threads	

Now we're tumbling down
We're spiralling
Tied up to the ground
We're spiralling
Did you wanna be a winner?
Did you wanna be an icon?
Did you wanna be famous?
Did you wanna be the president?
Did you wanna start a war?
Did you wanna have a family?
Did you (9) be in love?
Did you wanna be in love?
When we fall in love
We're just falling
In love (10) ourselves
We're spiralling
We're tumbling down
We're spiralling
Tied up to the ground
We're spiralling
