

## Fill in the gaps

I recommend (1) (2) heart	You wait and see when the smoke clears
Trampled on to anyone, yeah	You live you learn, you love you learn
I recommend walking around naked	You cry you learn, you lose you learn
In (3) living room, yeah	You bleed you learn, you scream you learn
Swallow it down, what a (4) little pill	I I (oh oh)
It feels so good, swimming in your stomach	
Wait (5) the dust settles	Wear it out
You live you learn, you love you learn	The way a three-year-old would do
You cry you learn, you lose you learn	Melt it down
You bleed you learn, you scream you learn	You're gonna (9) to eventually, anyway
I recommend biting off (6) than	The fire trucks are (10) up around the bend
You can chew to anyone	You live you learn, you love you learn
I certainly do	You cry you learn, you lose you learn
I (7) sticking your foot	You pray you learn, you ask you learn
In your mouth, at any time (oh)	You laugh you learn
Feel free	
Throw it down	
The caution blocks you (8) the wind	
Hold it up, to the rays
