

Fill in the gaps

I recommend (1) your heart	You (16) and see (17) the smoke clears
Trampled on to anyone, yeah	You live you learn, you (18) you learn
I (2) walking (3)	You cry you learn, you (19) you learn
naked	You (20) you learn, you scream you learn
In your living room, yeah	I I (oh oh)
Swallow it down, what a jagged little pill	
It (4) so good, (5) in your	Wear it out
stomach	The way a three-year-old would do
Wait (6) the dust settles	Melt it down
You live you learn, you (7) you learn	You're (21) have to eventually, anyway
You cry you learn, you lose you learn	The (22) trucks are coming up (23)
You (8) you learn, you scream you learn	the bend
I (9) off more	You live you learn, you love you learn
than	You cry you learn, you lose you learn
You can chew to anyone	You pray you learn, you ask you learn
I (11) do	You laugh you learn
I recommend sticking your foot	
In (12) mouth, at any time (oh)	
Feel free	
Throw it down	
The (13) you	
(15) the wind	
Hold it up, to the rays
