

I don't know, what went wrong

## Fill in the gaps

If I did, (1) it matter cause
It just wasn't enough
You know when the moment comes
To be strong, to resistance
And (2) is what
We're (3) to believe
When the big road falls apart
And you think that the feeling will linger
You need somewhere to start
I will be here, I will be here
You don't mind if life's not that pretty
It will soon disappear and will be miles away
Away from here
When the big road falls apart
And you think that the (4) will linger
You need (5) to start
I will be here
And when it all seems to fall apart
You can't breathe
You don't know what you're thinking
You need somewhere to start

I will be here
I will be here
I will be here
I will be here
I will be here, I will be here
(Oh oh oh oh oh)
When the big road (6) apart
And you think that the feeling will linger
You need (7) to start
I will be here
And when it all seems to fall apart
You can't breathe
You don't know what you're thinking
You need (8) to start
I will be here, I will be here
When the big road falls apart
And you think (9) the feeling (10) linger
You need somewhere to start
I will be here, I will be here
