

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the (1) of my head	We (17) victims together but lonely
I (2) told you that you	You got hungry eyes (18) (19) can't
(4) good	(20) forward
As I walked away	Can't (21) (22) (23) bu
If you could've (5) to (6) the hand	we just can't start over
that fed	Building with bent nails we're (24) bu
You would've never been hungry	holding
But you never really be	I don't wanna take up anymore of your time
The more of (7) or less of (8) or is	Time, time, time
(9) any difference	Sometimes time doesn't heal
Or are we (10) holding	No not all
Onto the things we don't have anymore	Just stand still
Sometimes (11) doesn't heal	While we fall
No not at all	In or out of love (25) I doubt I'm
Just stand still	(26) win you back
While we fall	When you got (27) like that
In or out of love (12) I doubt I'm gonna win you	It won't let me in
back	Always looking out
When you got (13) that	Always looking out
It won't let me in	Always (28) out
Always looking out	
Lot of people (15) (16) time just	
floating
