

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the (1) of my head	We were victims together but lonely
I would have told you that you (2) good	You got hungry eyes that just can't look forward
As I walked away	Can't give them enough but we just can't start over
If you could've tried to trust the hand that fed	Building with bent nails we're falling but holding
You would've never been hungry	I don't (6) take up anymore of your time
But you never really be	Time, time, time
The more of this or less of this or is (3) any	Sometimes time doesn't heal
difference	No not all
Or are we just holding	Just (7) still
Onto the things we don't have anymore	While we fall
Sometimes time doesn't heal	In or out of love again I (8) I'm gonna win you
No not at all	back
Just stand still	When you got eyes (9) that
While we fall	It won't let me in
In or out of love again I doubt I'm gonna win you back	Always looking out
When you got eyes like that	Always looking out
It won't let me in	Always looking out
Always (4) out	
Lot of people spend (5) time just floating	

- 1. back
- 2. looked
- 3. there
- 4. looking
- 5. their
- 6. wanna
- 7. stand
- 8. doubt
- 9. like
