## Written In The Stars by Tinie Tempah & Eric Turner

(On)	•••
Written in the stars	(Yeah), I needed a change
A (1) miles away	When we ate we never (12) (13)
A message to the main (oh)	we needed a change
Seasons come and go	I needed a break
But I will never change	For a sec I even gave up believing and praying
And I'm on my way	I even done the legal stuff and was leaded astray
Let's go yeah!	Now (14) is the root to the evilist ways
You're (2) now	But have you ever been so hungry (15) it
They say they ain't heard nothing (3) this in a while	(16) you awake
That's why they play my song on so (4) different	Mate, now my hunger would leave them amazed
dials	Great, it (17) (18) a long time
Cause I got more (5) than a disciplined child	coming, fam
When they see me everybody (brrrrrap's, brrrrrraps)	Since the day I thought of that cunning plan
Man I'm like a young gun fully black Barrack	One day I had a dream I tried to (19) it
I cried tear drops over the massive attack	But I (20) going nowhere, running man!
I only make hits like I work with a racket and bat	I knew (21) (22) someday I would
Look at my jacket and hat	understand
So damn berserk	Trying to turn a tenner to a (23) grand
So (6) to earth	Everyones a kid that no-one cares about
I'm bringing gravity back	You just have to keep (24) until they
Adopted by the major I want my (7) back	hear you out
People work hard just to get all (8) salary taxed	(Oh)
Look I'm just a writer (9) the ghetto	Written in the stars
Like Malory black man!	A (25) miles away
Where the hells all the sanity at, damn!	A message to the main
I used to be the kid that no one cared about	(Oh)
That's why you have to keep screaming	Seasons come and go
Til (10) hear you out	But I will (26) change
(Oh)	And I'm on my way
Written in the stars	
A (11) miles away	(Oh)
A message to the main	Written in the stars
(Oh)	A million (27) away
Seasons come and go	A message to the main
But I will never change	(Oh)
And I'm on my way	Seasons come and go
	But I will (28) change
	And I'm on my way
