

And I'm on my way...

Fill in the gaps

Written In The Stars by Tinie Tempah & Eric Turner

(OII)	···
Written in the stars	(Yeah), I needed a change
A million miles away	When we ate we never took because we needed a change
A message to the main (oh)	I needed a break
Seasons come and go	For a sec I even gave up believing and praying
But I will (1) change	I (6) done the legal stuff and was leaded astray
And I'm on my way	Now money is the root to the evilist ways
Let's go yeah!	But have you ever been so hungry that it keeps you awake
You're listening now	Mate, now my (7) would leave them amazed
They say they ain't heard nothing like this in a while	Great, it feels like a long time coming, fam
That's why they play my song on so many different dials	Since the day I thought of (8) cunning plan
Cause I got (2) hits than a disciplined child	One day I had a dream I tried to chase it
When they see me everybody (brrrrrap's, brrrrrraps)	But I wasn't going nowhere, running man!
Man I'm like a young gun fully (3) Barrack	I knew that maybe someday I would understand
I cried tear drops over the massive attack	Trying to turn a tenner to a hundred grand
I only make hits like I work with a racket and bat	Everyones a kid that no-one cares about
Look at my jacket and hat	You just (9) to keep screaming until they hear you
So damn berserk	out
So down to earth	(Oh)
I'm bringing gravity back	Written in the stars
Adopted by the major I (4) my family back	A million miles away
People work hard just to get all their salary taxed	A message to the main
Look I'm just a writer (5) the ghetto	(Oh)
Like Malory black man!	Seasons come and go
Where the hells all the sanity at, damn!	But I will never change
I used to be the kid that no one cared about	And I'm on my way
That's why you have to keep screaming	
Til they hear you out	(Oh)
(Oh)	Written in the stars
Written in the stars	A million miles away
A million miles away	A message to the main
A message to the main	(Oh)
(Oh)	Seasons come and go
Seasons come and go	But I will (10) change
But I will never change	And I'm on my way
