

## Fill in the gaps

Whatever you do, I'll do it too	Beyond the trees, above the clouds
Show me everything and tell me how	I see before me a new horizon
It all (1) something	I (17) know, can you show me
And yet nothing to me	I wanna know (18) these
I can see there's so much to learn	(19) like me
It's all so close and yet so far	Tell me more, please show me
I see (2) as people see me	Something's familiar (20) these strangers like
Oh, I just (3) there's something (4)	me
out there	Come with me now to see my world
I wanna know, can you (5) me	Where there's beauty beyond your dreams
I (6) (7) about these	Can you feel the things I feel
Strangers (8) me	Right now, with you
Tell me more, please show me	Take my hand
Something's (9) about these strangers	There's a world I need to know
like me	I (21) know, can you (22) me
Every gesture, every (10) that she makes	I wanna (23) about these
Makes me feel like never before	(24) like me
Why do I have	Tell me more, (25) show me
This (11) to be	Something's familiar (26) these strangers
(13) her	(27) me
(Oh), these (14) I never knew	I wanna know
Of (15) other (16) far beyond this	
place
