

Fill in the gaps

| Whatever you do, I'll do it too | Beyond the trees, above the clouds |
|--|--|
| Show me (1) and tell me how | I see before me a new horizon |
| It all means something | I wanna know, can you show me |
| And yet nothing to me | I wanna know about these strangers like me |
| I can see there's so much to learn | Tell me more, please show me |
| It's all so (2) and yet so far | Something's (8) (9) these |
| I see myself as people see me | strangers like me |
| Oh, I just know there's something bigger out there | Come with me now to see my world |
| I (3) know, can you show me | Where there's beauty beyond your dreams |
| I wanna know about these | Can you feel the things I feel |
| Strangers (4) me | Right now, with you |
| Tell me more, please show me | Take my hand |
| Something's familiar about these strangers like me | There's a world I need to know |
| Every gesture, every move that she makes | I wanna know, can you show me |
| Makes me feel like (5) before | I wanna know about these strangers like me |
| Why do I have | Tell me more, please show me |
| This growing (6) to be beside her | Something's familiar about (10) strangers like |
| (Oh), these emotions I (7) knew | me |
| Of some other world far beyond this place | I wanna know |
| | |

1. everything
