

## Fill in the gaps

## Hold My Hand by Michael Jackson & Akon

|   | Things will get better if you just hold my hand |
|---|---|
| This life don't (1) forever (hold my hand)          | Nothing can come in (19) us if you just         |
| So tell me what (2) waitin' for (hold my            | Hold, hold my, (20) my, hold my hand            |
| nand)   | I can (21) that you're tired of being lonely    |
| Ne (3) off being together (hold my hand)            | Take my hand, don't let go, baby hold me        |
| Than being miserable (4) (hold my hand)             | Come to me and let me be your one and only      |
| Cause I've been there before                        | Cause I can make it alright 'till the morning   |
| And you've been there before                        | I can't (22) (23) you're tired of being         |
| But together we can be (5) (yeah)                   | lonely  |
| Cause when it gets (6) and (7) it                   | Take my hand, don't let go, baby (24) me        |
| (8) cold  | Come to me and let me be your one and only      |
| We can (9) hold each other till we see the sunlight | Cause I can make it alright 'till the morning   |
| So if you just hold my hand                         | Hold my hand                                    |
| Baby I (10) that I'll do all I can                  | Baby I promise that I'll do all I can           |
| Things will get (11) if you just hold my hand       | Things will go (25) if you just                 |
| Nothing can come in between us if you just          | Hold my hand                                    |
| Hold, hold my, (12) my, hold my hand                | Nothing can (26) between us if you just         |
| The nights are getting darker (hold my hand)        | Hold, (27) my, hold my, hold my hand            |
| And there's no peace (13) (hold my hand)            | Hold my hand (yeah, yeah)                       |
| So why make our lives harder (hold my hand, yeah)   | Hold my hand (yeah, yeah)                       |
| By fighting love, tonight (baby)                    | Hold my hand                                    |
| Cause I've been (14) before                         | Nothing can come between us if you just         |
| And (15) been there before                          | Hold, (28) my, hold my, hold my hand            |
| But together we can be alright                      | Hold my hand                                    |
| Cause when it (16) dark and when it gets cold       |   |
| We can just hold each other (17) we see the         |   |
| sunlight  |   |
| So if you just hold my hand                         |   |
| Rahy I (18) that I'll do all I can                  |   |
