

Fill in the gaps

There's people talking		I'm living life day to day
They talk about me		It's never really easy but it's ok
They know my name		Wake up, wake up
They (1) they know everything		On a saturday night
But they don't know anything		Could be New York
About me		Maybe Hollywood and Vine
Give me a dance floor		London, Paris maybe Tokyo
Give me a DJ		There's something going on anywhere I go
Play me a record		Tonight
Forget what they say		Tonight
Cause I need to go		Yeah, tonight
need to get away tonight		People all around you
put my makeup on a saturday night		Everywhere that you go
try and make it happen		People all around you
Try to make it all right		They don't really know you
know I make mistakes		Everybody (10) like it's some kind of
'm living (2) day to day		show
t's never really (3) but it's ok		Everybody's watching
Wake up, (4) up		They don't really know you now
On a saturday night		And forever
Could be New York		Wake up, wake up
Maybe (5) and Vine		On a saturday night
_ondon, (6) maybe Tokyo		Could be New York
There's something going on (7)	I go	Maybe Hollywood and Vine
Tonight		London, Paris maybe Tokyo
Tonight		There's something going on anywhere I go
Yeah, tonight		Wake up, wake up
The cities restless		On a saturday night
t's all around me		Could be New York
People in motion		Maybe Hollywood and Vine
Sick of all the same routines		London, Paris maybe Tokyo
And they (8) to go		There's something going on anywhere
They need to get away		I go
Tonight		Tonight
put my makeup on a saturday night		Tonight
try and (9) it happen		Yeah, tonight
Try to make it all right		
know I make mistakes
