

## Fill in the gaps

Today is (1) be the day	Realized what you're not to do
That they're gonna (2) it back to you	I don't (19) that anybody feels the way I do
By now you should've somehow	About you now
Realized (3) you (4) do	Cos all the roads we have to (20) are winding
I don't (5) that anybody	And all the lights (21) light the way are blinding
Feels the way I do (6) you now	There are many things that I (22) like to say to
Backbeat the word was on the street	you
That the fire in your (7) is out	I don't (23) how
I'm sure you've heard it all before	(I said I don't know how)
But you never really had a doubt	Maybe
I don't believe (8) (9)	You're gonna be the one who saves me
(10) the way I do	And after all
About you now	You're my wonderwall
And all the (11) we have to (12)	Maybe
along are winding	You're gonna be the one who saves me
And all the (13) that (14) us there	And (24) an
are blinding	You're my wonderwall
There are (15) (16) that I would	And I said maybe
like to say to you	You're gonna be the one (25) saves me
I don't know how	You're gonna be the one (26) saves me
Maybe	You're gonna be the one that (27) me
You're gonna be the one who saves me	
And after all	
You're my wonderwall	
Today was (17) be the day	
But they'll never (18) it back to you	
By now you should've somehow
