

Because of you

Fill in the gaps

Because Of You (Live) by Kelly Clarkson

I will not make the same mistakes that you did	I learned to play on the safe side
I will not let myself cause my heart so much misery	So I don't get hurt
I will not break the way you did	Because of you
You fell so hard	I find it hard to trust
I've learned the hard way	Not only me, but (8) (9)
To never let it get that far	me
Because of you	Because of you, I am afraid
I never stray too far from the sidewalk	I watched you die, I heard you cry
Because of you	Every night in your sleep
I (1) to (2) on the safe side	I was so young
So I don't get hurt	You (10) have know better than to lean on me
Because of you	You never thought of anyone else
I find it hard to trust	You just saw your pain
Not only me, but everyone (3) me	And now I cry in the middle of the night
Because of you, I am afraid	For the same damn thing
I lose my way	Because of you
And it's not too long before you point it out	I never stray too far from the sidewalk
I cannot cry	Because of you
Because I know that's (4) in	I learned to play on the safe side
(5) eyes	So I don't get hurt
I'm forced to fake a smile, a laugh	Because of you
Every day of my life	I find it hard to trust, not only me
My (6) can't possibly break	But everyone around me
When it wasn't even whole to (7) with	Because of you
Because of you	I am afraid
I never stray too far from the sidewalk
