

Still Alive by Portal

This was a triumph
I'm making a note here
HUGE Success
It's hard to overstate my satisfaction
Aperture Science
We do what we must because we can
For the good of all of us
Except for the ones who are dead
But there's no sense crying over every mistake
You just keep on trying until you run out of cake
And the science gets done and you make a neat gun
For the people who are still alive
I'm not even angry
I'm being so sincere right now
Even though you broke my (1)_____ and killed me
And tore me to pieces
And threw every piece into a fire
As they (2)_____ it hurt because
I was so happy for you!
Now (3)_____ (4)_____ of data
Make a wonderful line
And we're out of beta
We're releasing on time
So I'm glad
I got burned
Think of all the things we learned

Fill in the gaps

For the people (5)_____ are still alive
Go ahead and leave me
I think I prefer to stay inside
Maybe you'll find (6)_____ else to help you
Maybe black mesa
That was a joke (HA, HA)
Fat chance
Anyway this (7)_____ is great
It's so delicious and moist
Look at me still talking
When there's science to do
When I look out there it makes me glad
I'm not you
I've experiments to run
There is research to be done
On the people who are still alive
And believe me I am still alive
I'm doing science and I'm still alive
I feel FANTASTIC and I'm still alive
While you are dying I'll be still alive
And (8)_____ you're (9)_____ I'll be still alive
Still alive
Still alive

Fill in the gaps

Answer

1. heart
2. burned
3. these
4. points
5. that
6. someone
7. cake
8. when
9. dead
