

Fill in the gaps

This was a triumph	For the people that are still alive
I'm making a note here	Go (14) and leave me
HUGE Success	I think I prefer to stay inside
It's hard to overstate my satisfaction	Maybe you'll (15) (16)
Aperture Science	(17) to help you
We do (1) we must (2) we can	Maybe black mesa
For the good of all of us	That was a (18) (HA, HA)
Except for the ones who are dead	Fat chance
But there's no (3) crying over (4)	Anyway this cake is great
mistake	It's so delicious and moist
You just keep on trying until you run out of cake	Look at me (19) talking
And the science (5) done and you (6) a	When there's science to do
neat gun	When I look out there it makes me glad
For the people who are still alive	I'm not you
I'm not (7) angry	I've (20) to run
I'm being so sincere right now	There is research to be done
Even though you (8) my heart and killed me	On the (21) who are still alive
And tore me to pieces	And (22) me I am (23) alive
And threw every (9) a fire	I'm doing (24) and I'm (25)
As (11) burned it hurt because	alive
I was so happy for you!	I feel FANTASTIC and I'm still alive
Now (12) points of data	While you are (26) I'll be still alive
Make a (13) line	And when you're dead I'll be still alive
And we're out of beta	Still alive
We're releasing on time	Still alive
So I'm glad	
I got burned	
Think of all the things we learned	

SUB inglés

Answ 1. what

- 2. because
