The World Is Black (Acoustic) by Good Charlotte

Turn on channel seven at a quarter to eight	Growing colder everyday
You see the (1) damn thing	Nothing can stay perfect
It's just a (2) day	Now I see
And no one (3) knows why this is happening	The world is black
But it's happening	And hearts are cold
And (4) you go it's (5) a	And there's no hope
different place	That's what we're told
You get the same (6) feeling	And we can't go back
See the same sad faces	It won't be the same
No one (7) (8) that this is	Forever changed
happening	By the things we say, say,
We come into this world	We come into (17) world
We are all the same	We are all the same
And in that moment there's no one to blame	And in (18) moment there's no one to blame
But the world is black	But we're living in (19) world
And (9) are cold	Growing colder (20) day
And there's no hope	Nothing can stay perfect
That's (10) we're told	Now I see
And we can't go back	The world is black
It won't be the same	And hearts are cold
Forever changed	And there's no hope
By the things we say, say	That's what we're told
Living in this place	And we can't go back (we can't go back)
It's always been this way	It won't be the same (It won't be the same)
There's no one doing nothing	Forever (21) (when forever change)
So there's (11) changed	By the (22) we've seen, seen,
And I can't (12) when this world	Turn on channel seven at a (23) to eight
Just keeps dying	You see the (24) damn (25) it's just a
It's dying	different day
People (13) me, this is part of	And no one (26) (27) why this is

That God's got everybody in his hands	
But I can (15) pray that God is listening
