The World Is Black (Acoustic) by Good Charlotte

| Turn on channel seven at a quarter to eight | | Growing colder everyday | | |
|---|------------------|---|-----------|----------|
| You see the same damn thing | | Nothing can (7) | _ perfect | |
| It's just a different day | | Now I see | | |
| And no one really knows why (1) | is happening | The world is black | | |
| But it's happening | | And hearts are cold | | |
| And everywhere you go it's just a different place | | And there's no hope | | |
| You get the same dark feeling | | That's what we're told | | |
| See the same sad faces | | And we can't go back | | |
| No one really cares (2) this is happening | | It won't be the same | | |
| We come into this world | | Forever changed | | |
| We are all the same | | By the things we say, say, say | | |
| And in that moment there's no one to blame | | We come into this world | | |
| But the world is black | | We are all the same | | |
| And (3) are cold | | And in that moment there's no one to blame | | |
| And there's no hope | | But we're living in this world | | |
| That's what we're told | | Growing colder (8) | day | |
| And we can't go back | | Nothing can stay perfect | | |
| It won't be the same | | Now I see | | |
| Forever changed | | The world is black | | |
| By the things we say, say | | And hearts are cold | | |
| Living in this place | | And there's no hope | | |
| It's always been this way | | That's what we're told | | |
| There's no one doing nothing | | And we can't go back (we can't go back) | | |
| So there's nothing changed | | It won't be the same (It won't be the same) | | |
| And I can't (4) when (5) | world | Forever change (when forever change) | | |
| Just keeps dying | | By the things we've seen, seen, seen | | |
| It's dying | | Turn on channel seven at a (9) | | to eight |
| People always (6) me, this is | part of the plan | You see the same damn thing it's just a different day | | |
| That God's got everybody in his hands | | And no one really knows why this is happening | | |
