

## Fill in the gaps

## The World Is Black (Acoustic) by Good Charlotte

Turn on channel seven at a quarter to eight
You see the same damn thing
It's just a different day
And no one really knows why this is happening
But it's happening
And everywhere you go it's just a different place
You get the same dark feeling
See the same sad faces
No one really cares that this is happening
We (1) $\qquad$ into this world
We are all the same
And in that moment there's no one to blame
But the world is black
And hearts are cold
And there's no hope
That's what we're told
And we can't go back
It won't be the same
Forever changed
By the things we say, say...
Living in this place
It's always been this way
There's no one doing nothing
So there's (2) $\qquad$ changed
And I can't live (3) $\qquad$ this world
Just keeps dying
It's dying
People always tell me, this is (4) $\qquad$ of the plan That God's got everybody in his hands But I can only pray that God is listening Living in this world

Growing colder everyday
Nothing can (5) $\qquad$ perfect

Now I see
The world is black
And hearts are cold
And there's no hope
That's (6) $\qquad$ we're told

And we can't go back
It won't be the same
Forever changed
By the things we say, say, say...
We come into this world
We are all the same
And in (7) $\qquad$ moment there's no one to blame

But we're living in this world
Growing colder every day
Nothing can stay perfect
Now I see
The world is black
And hearts are cold
And there's no hope
That's what we're told
And we can't go back (we can't go back)
It won't be the same (It won't be the same)
Forever (8) $\qquad$ (when forever change)
By the things we've seen, seen, seen...
Turn on channel seven at a (9) $\qquad$ to eight

You see the same damn thing it's just a different day And no one really knows why this is happening...
