One Headlight by Wallflowers

So long ago, I don't remember when
That's when they say I lost my only friend
Well they said she died easy of a broken heart disease
As I listened through the cemetery trees
I seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste
She (1)_____ had a pretty face
So I wondered how she hung around this place
(Hey) Come on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
She said it's cold
It feels (2)_____ Independence Day
And I can't break (3)_____ from this parade
But there's got to be an opening
Somewhere here in front of me
Through this maze of ugliness and greed
And I seen the sun up ahead
At the county line bridge
Sayin' all there's good and nothingness is dead
We'll run (4)_____ she's out of breath
She ran until there's nothin' left
She hit the end, it's just her window ledge

(Hey) Come on try a little
Nothing is forever
There's got to be something (5)_____ than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
Well this place is old
It feels (6)_____ like a beat up truck
I turn the engine, but the engine doesn't turn
Well it smells of (7)_____ wine and cigarettes
This place is always such a mess
Sometimes I think I'd like to watch it burn
I'm so alone, and I feel just like somebody else
Man, I ain't changed, but I know I ain't the same
But (8)_____ here in between the
(9)_____ walls of dyin'
Dreams think her death it must be killin' me
(Hey, hey, hey...) Come on try a little
Nothing is forever
There's got to be (10)_____ better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
