

All is lost Hope remains

## Fill in the gaps

Yesterday I died, tomorrow's bleeding	And this war's not over
Fall into your sunlight	Theres a light
The future's open (1) beyond believing	Theres the sun
To know why hope dies	Taking all the shattered ones
Losing what was found, a world so hollow	To the place we belong
Suspended in a compromise	And his love will conquer
The silence of this (2) is soon to follow	And I've lost who I am
Somehow sundown	And I can't understand
And finding answers	Why my (7) is so broken
Is forgetting all of the questions we call home	Rejecting your love
Passing the graves of the unknown	Without love gone wrong
As reason clouds my eyes, with splendor fading	Life less words
Illusions of the sunlight	Carry on
And the reflection of a lie will keep me waiting	But I know
Love gone for so long	All I know
This day's ending	Is that the ends beginning
Is the (3) of time killing all the faith I know	Who I am from the start
Knowing that (4) is all I hold	Take me home to my heart
And Ive lost who I am	Let me go
And I can't understand	And I will run
Why my heart is so broken	I will not be silenced
Rejecting (5) love	All this time spent in vain
Without love gone wrong	Wasted years
Life (6) words	Wasted gain
Carry on	All is lost
But I know	Hope remains
All I know	And this war's not over
Is that the ends beginning	Theres a light
Who I am from the start	Theres the sun
Take me home to my heart	Taking all the shattered ones
Let me go	To the place we belong
And I will run	And his (8) will conquer all
I will not be silenced	Yes his (9) will conquer all
All this time spent in vain	Yesterday I died, tommorrows bleeding
Wasted years	Fall into your sunlight
Wasted gain
