Shattered by Trading Yesterday

All is lost Hope remains

Fill in the gaps

Yesterday I died, tomorrow's bleeding			And this war's not over	
Fall into your sunlight			Theres a light	
The future's open wide beyond believing			Theres the sun	
To know why hope dies			Taking all the shattered ones	
Losing what was found, a world so hollow			To the place we belong	
Suspended in a compromise			And his love will conquer	
The silence of this (1)	is (2)	to follow	And I've lost who I am	
Somehow sundown			And I can't understand	
And finding answers			Why my heart is so broken	
Is forgetting all of the questions we call home			Rejecting your love	
Passing the graves of the unknown			Without love gone wrong	
As (3) clouds my eyes, with splendor fading			Life less words	
Illusions of the sunlight			Carry on	
And the reflection of a lie will keep me waiting			But I know	
Love gone for so long			All I know	
This day's ending			Is (6) the ends beginning	ıg
Is the proof of time killing all the (4) I know			Who I am from the start	
Knowing that faith is all I hold			Take me home to my heart	
And Ive lost who I am			Let me go	
And I can't understand			And I will run	
Why my heart is so broken			I will not be silenced	
Rejecting your love			All this time (7) in vai	n
Without love (5) wrong			Wasted years	
Life less words			Wasted gain	
Carry on			All is lost	
But I know			Hope remains	
All I know			And this war's not over	
Is that the ends beginning			Theres a light	
Who I am from the start			Theres the sun	
Take me home to my heart			Taking all the shattered ones	
Let me go			To the place we belong	
And I will run			And his (8) will conquer all	
I will not be silenced			Yes his (9) will conquer all	
All this time spent in vain			Yesterday I died, tommorrows bleeding	
Wasted years			Fall into your sunlight	
Wasted gain
