(Oh, oh, oh)	I'm goin through it every time that I'm alone
I was thinkin about her, thinkin about me	And now I'm missin, wishin she'd pick up the phone
Thinkin (1) us, what we gonna be?	But she made a decision that she wanted to move one
Open my eyes, it was (2) just a dream	Cuz I was wrong
So I travel back, down that road	I was thinkin (12) her, thinkin about me
Will she (3) back? No one knows	Thinkin about us, what we gonna be?
I realize, it was (4) just a dream	Open my eyes, it was only (13) a dream
I was at the top and I was like I'm at the basement	So I travel back, down that road
Number one spot and now she found her a replacement	Will she come back? No one knows
I swear now I can't take it	I realize, it was only just a dream
Knowing somebody's got my baby	If you ever loved somebody put your hands up
And now you ain't around, (5) I can't think	If you ever loved somebody put (14) hands up
Shoulda put it down, shoulda got that ring	And now they're gone and you wish
Cuz I can still (6) it in the air	You could (15) (16) everything
See her pretty face run my fingers through her hair	I said, if you ever loved somebody put your hands up
My lover, my life	If you ever loved somebody put (17)
My shawty, my wife	(18) up
She left me, I'm tied	And now they're (19) and you wish
Cuz I knew that it just ain't right	You (20) give them everything
I was thinkin about her, (7) about me	I was (21) about her, thinkin about me
Thinkin about us, what we gonna be?	Thinkin (22) us, what we gonna be?
Open my eyes, it was only just a dream	Open my eyes, it was only just a dream
So I travel back, down that road	So I (23) back, down that road
Will she come back? No one knows	Will she come back? No one knows
I realize, it was only just a dream	I realize, it was only just a dream
When I be ridin man I swear I see her face at every turn	I was thinkin about her, thinkin about me
Tryin to get my usher over, I can let it burn	Thinkin about us, what we gonna be?
And I (8) hope she notice she the only one I	Open my eyes, it was only just a dream
(9) for	So I (24) back, down that road
Oh I (10) her when will I learn?	Will she (25) back? No one knows
Didn't give her all my love, I guess now I got my payback	I realize, it was only just a dream
Now I'm in the club thinkin all about my baby	
Hey, she was so easy to love
