that she wanted to

(Oh, oh, oh)	I'm goin through it every time that I'm alone
I was thinkin about her, thinkin about me	And now I'm missin, wishin she'd pick up the phone
Thinkin (1) us, what we gonna be?	But she made a (8) that she want
Open my eyes, it was only just a dream	move one
So I travel back, down that road	Cuz I was wrong
Will she come back? No one knows	I was thinkin about her, thinkin about me
I realize, it was only just a dream	Thinkin about us, (9) we gonna be?
I was at the top and I was like I'm at the basement	Open my eyes, it was only just a dream
Number one spot and now she found her a replacement	So I travel back, down that road
I (2) now I can't take it	Will she come back? No one knows
Knowing somebody's got my baby	I realize, it was only just a dream
And now you ain't around, baby I can't think	If you ever loved somebody put your hands up
Shoulda put it down, shoulda got that ring	If you ever loved somebody put your hands up
Cuz I can still feel it in the air	And now they're gone and you wish
See her pretty face run my fingers through her hair	You could give them everything
My lover, my life	I said, if you ever loved somebody put your hands up
My shawty, my wife	If you ever loved somebody put your hands up
She left me, I'm tied	And now they're gone and you wish
Cuz I knew (3) it just ain't right	You could give them everything
I was thinkin about her, thinkin about me	I was thinkin about her, (10) about me
Thinkin about us, what we gonna be?	Thinkin about us, what we gonna be?
Open my eyes, it was only just a dream	Open my eyes, it was only just a dream
So I travel back, down that road	So I travel back, down that road
Will she come back? No one knows	Will she come back? No one knows
I realize, it was (4) just a dream	I realize, it was only just a dream
When I be ridin man I swear I see her face at every turn	I was thinkin about her, thinkin about me
Tryin to get my usher over, I can let it burn	Thinkin about us, what we gonna be?
And I just (5) she notice she the (6) one	Open my eyes, it was only just a dream
I yearn for	So I travel back, down that road
Oh I miss her when will I learn?	Will she come back? No one knows
Didn't (7) her all my love, I guess now I got my	I realize, it was only just a dream
payback	
Now I'm in the club thinkin all about my baby	
Hey, she was so easy to love	
But wait, I guess that love wasn't enough
