

Fill in the gaps

Lucky you were born that far away so	I'll be there and you'll be near
We could both (1) fun of distance	And that's the deal my dear
Lucky that I love a (2) land for	There over, here under
The lucky fact of your existence	You'll never have to wonder
Baby I would climb the Andes solely	We can always play by ear
To count the freckles on your body	But that's the deal my dear
Never (3) imagine there were only	(Le do lo le lo le le do lo le lo le)
Ten million ways to love somebody	Think out loud, say it again
(Le do lo le lo le le do lo le lo le)	(Le do lo le lo le lo le)
Can't you see I'm at your feet	Tell me one more time
Whenever, wherever	That you'll live
We're meant to be together	Lost in my eyes
I'll be there and you'll be near	Whenever, wherever
And that's the deal my dear	We're meant to be together
There over, here under	I'll be there and you'll be near
You'll never have to wonder	And that's the deal my dear
We can always play by ear	There over, here under
But that's the deal my dear	You've got me (7) (8) heel
Lucky (4) my lips not only mumble	There's nothing left to fear
They spill kisses like a fountain	If you really feel the way I feel
Lucky that my breasts are small and humble	Whenever, wherever
So you don't confuse them with mountains	We're meant to be together
Lucky I have strong legs (5) my mother	I'll be there and you'll be near
To run for cover when I need it	And that's the deal my dear
And these two eyes that for no other	There over, here under
The day you leave will cry a river	You've got me (9) over heels
(Le do lo le lo le le do lo le lo le)	There's nothing (10) to fear
At your feet I'm at (6) feet	If you really feel the way I feel
Whenever, wherever	
We're meant to be together
