Whenever, Wherever by Shakira

Fill in the gaps

Lucky you (1) forn (2) far away so
We could both make fun of distance
Lucky (3) I love a foreign (4) for
The lucky fact of your existence
Baby I would climb the Andes solely
To count the freckles on your body
Never (5) imagine there were only
Ten (6) ways to love somebody
(Le do lo le lo le le do lo le lo le)
Can't you see I'm at your feet
Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, here under
You'll never have to wonder
We can always play by ear
But that's the deal my dear
Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky (7) my breasts are small and humble
So you don't (8) them with mountains
Lucky I have strong legs like my mother
To run for cover when I need it
And these two eyes that for no other
The day you leave will cry a river
(Le do lo le lo le le do lo le lo le)
At your feet I'm at your feet
Whenever, wherever
We're meant to be together

I'll be there and you'll be near And that's the deal my dear There over, here under You'll never have to wonder We can always play by ear But that's the deal my dear (Le do lo le lo le... le do lo le lo le...) Think out loud, say it again (Le do lo le lo le lo le...) Tell me one more time That you'll live Lost in my eyes Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear There over, here under You've got me head over heels There's nothing left to fear If you really (9)_____ the way I feel Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear There over, here under You've got me head over heels There's nothing left to fear If you really feel the way I feel
