End Of All Hope by Nightwish

Fill in the gaps

It is the end of all hope	It will end with a birth
To (1) the child, the faith	Mandylion without a face
To end all the innocence	Deathwish without a prayer
To be someone (2) me	End of hope
This is the (3) of all hope	End of love
To (4) what I once had	End of time
This life unforgiven	The rest is silence
It will end (5) a birth	Mandylion without a face
No will to wake for this morn	Deathwish without a prayer
To see another black rose born	End of hope
Deathbed is slowly covered with snow	End of love
Angels, they fell first but I'm still here	End of time
Alone as they are drawing near	The rest is silence
In heaven my masterpiece will (6) be sung	It is the end of all hope
It is the end of all hope	To lose the child, the faith
To lose the child, the faith	To end all the innocence
To end all the innocence	To be someone like me
To be someone like me	This is the (8) of all hope
Wounded is the deer that leaps highest	To have what I once had
And my wound it cuts so deep	It is the end of all hope
Turn off the (7) and let me pull the plug	To lose the child, the faith
It is the end of all hope	To end all the innocence
To lose the child, the faith	To be someone like me
To end all the innocence	It is the end of all hope
To be someone like me	To (9) the child, the faith
This is the birth of all hope	End of all hope
To have what I once had	
This life unforgiven
