Dead To The World (Live) by Nightwish

Away from all pain

Fill in the gaps

All the same, take me away		All the same, take me away
We're (1)	to the world	We're dead to the world
The child gave thought to the poet's world		Dead, silent, constant
Gave comfort to the Fallen		Yet always changing
(Heartfelt, lovelorn)		- My favorite view of this world
Remaining, yet still uninvited		As he died, he will return to die in me again
Those words scented my soul		Weaving the cloth, giving birth
(Lonely soul, ocean soul)		To the Century Child
It's not the (2)	under your bed	Who gave his life not for the world but for me
It is the Man next do	oor	Innocence reborn once more
That makes you fear, makes you cry		Heaven queen, carry me
Makes you cry for the child		Away from all pain
All the wars are (3) among (4)	All the same, take me away
lonely men		We're dead to the world
Unarmed, unscarred		Heaven queen, cover me
I don't (5) to die a scarless man		In all that blue
A lonely soul		Little boy, (8) precious joy
(Tell me now what to do)		Is dead to the world
I studied silence to learn the music		Heaven queen, carry me
I joined the sinful to	(6) innocence	Away from all pain
Heaven queen, cover me		All the same, (9) me away
In all (7) blue		We're (10) to the world
Little boy, such precious joy		We're dead to the world!
Is dead to the world		
Heaven queen, carry me
