And she spoke words that would melt in (1) hands
And she spoke words of wisdom
To the basement people, to the basement
Many surprises await you
In the basement people, in the basement
You hid there last time, you know we're gonna find you
Sick in the karsi, 'cause you're not up to going
Out on the main streets, completing your mission
You hid there last time, you know we're gonna find you
Sick in the karsi, 'cause you're not up to going
Out on the main streets, completing your mission
And she spoke words that (2) melt in (3) hands
And she spoke words of wisdom
To the basement people, to the basement
Many (4) await you
In the (5) people, in the basement
