But I know it'd turn out better if you help
No one likes to hurt but
But everyone gets weak
Someone to rely on
That's what everybody needs
Now here we stay
It's all that we're worth
I've been through the pain and
Been (8) through the dirt
Whatever they tell you were bigger than words
I've been where you're standing
I know how it hurts
Let this be a (9) now and this be our day
And we stand together we'll be okay
'Cause we're survivors
We're making it work
Expecting the best (10) they hope for the worst
One love
This is the way we found (one love)
Even though they'll let you down (one love)
Nobody's perfect now (one love)
Don't let that hold you down (one love)
Let's stick together now (one love)
We got to stand our ground (one love)
It's easy to believe in, one love
Believe in you and me
