

## Fill in the gaps

## One Love by David Guetta & Estelle

Can (1) (2) me?	Now I could try and fix this all by myself
I'm outta plans	But I know it'd (14) out better if you help
Guess I left my world in somebody's hands	No one (15) to (16) but
I don't (3) to hurt but	But everyone gets weak
But everyone (4) weak	Someone to rely on
Someone to rely on	That's what everybody needs
That's what I really need	Now here we stay
Now here we stay	It's all that we're worth
It's all that we're worth	I've (17) through the pain and
I've been through the pain and	Been dragged through the dirt
Been (5) through the dirt	Whatever they tell you were (18) than words
Whatever they (6) you were bigger than words	I've been where you're standing
I've been where you're standing	I know how it hurts
I know how it hurts	Let (19) be a (20) now and this be our
Let this be a (7) now	day
And (8) be our day	And we stand together we'll be okay
And we stand together	'Cause we're survivors
We'll be okay	We're making it work
'Cause we're survivors	Expecting the (21) when (22)
We're making it work	(23) for the worst
Expecting the (9) when (10) hope for	One love
the worst	This is the way we found (one love)
(One love)	Even (24) they'll let you (25) (one
This is the way we found (one love)	love)
Even though they'll let you down (one love)	Nobody's perfect now (one love)
Nobody's perfect now (one love)	Don't let that hold you (26) (one love)
Don't let (11) (12) you down (one love)	Let's stick together now (one love)
Let's stick together now (one love)	We got to stand our ground (one love)
We got to stand our ground (one love)	It's easy to believe in, one love
It's easy to (13) in, one love	Believe in you and me
Believe in you and me, one love	One love
