One Love by David Guetta & Estelle

Can anybody help me?	Now I could try and fix this all by myself
I'm outta plans	But I (6) it'd turn out better if you help
Guess I left my world in somebody's hands	No one likes to hurt but
I don't like to hurt but	But (7) gets weak
But everyone gets weak	Someone to rely on
Someone to rely on	That's what everybody needs
That's (1) I really need	Now here we stay
Now here we stay	It's all that we're worth
It's all that we're worth	I've been (8) the pain and
I've been through the pain and	Been dragged through the dirt
Been dragged through the dirt	Whatever they tell you were bigger than words
Whatever they (2) you (3) bigger than	I've (9) (10) you're standing
words	I know how it hurts
I've been where you're standing	Let this be a song now and this be our day
I know how it hurts	And we stand together we'll be okay
Let this be a song now	'Cause we're survivors
And this be our day	We're making it work
And we stand together	Expecting the best when they hope for the worst
We'll be okay	One love
'Cause we're survivors	This is the way we found (one love)
We're making it work	Even though they'll let you down (one love)
Expecting the best when (4) hope for the worst	Nobody's perfect now (one love)
(One love)	Don't let that hold you down (one love)
This is the way we found (one love)	Let's stick together now (one love)
Even though they'll let you down (one love)	We got to stand our ground (one love)
Nobody's perfect now (one love)	It's easy to believe in, one love
Don't let that hold you (5) (one love)	Believe in you and me
Let's stick together now (one love)	One love
We got to stand our ground (one love)	
It's easy to believe in, one love	
Believe in you and me, one love
