They (1) there'd (2) a robbery	Over the (16) and far away
his pistol had been found	Over the hills and
They marched him to the (3) house	Over the hills and
he (4) for the dawn	Over the hills and far away
And as they led him to the dock	Each night within his prison cell
he knew that he'd been wronged	he looks out (17) the bars
"You stand (5) of robbery"	He (18) the (19) that she
he heard the bailiff say	wrote
He knew (6) an alibi	One day he'll know the taste of freedom
tomorrow's (7) would mourn his freedom	Over the hills and far away
Over the hills and far away	she prays he will return one day
for ten long (8) he'll count the days	As sure as the rivers reach the seas
Over the (9) and blue seas	back in his arms he swears she'll be
a prisoner's (10) for him there'll be	Over the hills and far away
He knew that it would cost him dear	he (20) he will return one day
but yet he dare not say	Far from the mountains and the seas
where he'd had (11) that fateful night	back in her arms he (21) he'll be
a secret it must stay	Over the (22) and far away
He had to fight back tears of rage	she (23) he will return one day
his (12) beat (13) a drum	As sure as the (24) reach the seas
For with the wife of his best friend	back in his (25) he swears she'll be
he (14) his final night of freedom	
Over the hills and far away
