## SUB inglés

I guess now it's time

## Fill in the gaps

You'll be right and understood

## Back For Good (Live) by Take That

For me to give up	(Want you back, want you back)
I feel it's time	I want you back for good
Got a picture of you (1) me	And we'll be together
Got your lipstick (2) still on your coffee cup	This time is forever
(Oh yeah)	We'll be fighting and forever we will be
Got a fist of pure emotion	So (7) in our love
Got a head of shattered dreams	We (8) never be uncovered again
Gotta leave it, gotta leave it all behind now	
Whatever I said, whatever I did I didn't (3) it	Whatever I said, whatever I did I didn't mean it
I just want you back for good	I just want you back for good
(Want you back, want you back, want you back for good)	(Want you back, want you back)
Whenever I'm (4) just tell me the song and I'll	Oh want you back for good
sing it	Whenever I'm wrong just tell me the (9) and I'll sing
You'll be right and understood	it
(Want you back, want you back)	You'll be right and understood
I want you back for good	(Want you back, want you back)
Unaware but underlined	Oh I want you back for good
I figured out this story	Whenever I'm wrong, I'll tell you
It wasn't good	I want you back
But in the corner of my mind	I (10) you back
I celebrated glory	I want you back for good
But that was not to be	Whenever I'm wrong, I'll tell you
In the (5) of separation you excelled in being	I want you back
free	I want you back
Can't you find a (6) room inside for me	I want you back for good
Whatever I said, whatever I did I didn't mean it	(Oh yeah)
I just want you back for good	I guess now it's time you can back for good
(Want you back, want you back)	
I want you back for good	
Whenever I'm wrong just tell me the song and I'll sing it
