

# Fill in the gaps

## Tears Of The Dragon (Live) by Bruce Dickinson

For too long now	The water is moving
There (1) secrets in my mind	I'm (15) away
For too (2) now	I throw (16) into the sea
There were (3) I should have said	Release the wave
In the darkness	Let it wash over me
I was (4) for the door	To (17) the fear
To find a reason	I once believed
To find the time, the place, the hour	The (18) of the dragon
Waiting for the (5) sun	For you and for me
And the (6) (7) of day	Slowly I awake
The (8) ghost of (9)	Slowly I rise
fears	The (19) I (20) are crumbling
The pressure is building	The water is moving
And I can't stay away	I'm slipping away
I throw myself into the sea	I throw myself (21) the sea
Release the wave	Release the wave
Let it wash over me	Let it (22) over me
To face the fear	To face the fear
I (10) believed	I (23) believed
The tears of the dragon	The (24) of the dragon
For you and for me	For you and for me
Where I was	I throw myself into the sea
I had wings (11) couldn't fly	Release the wave
Where I was	Let it (25) over me
I had tears I couldn't cry	To face the fear
My emotions	I once believed
Frozen in an icy lake	The tears of the dragon
I couldn't feel them	For you and for me
Until the ice began to break	
I have no power (12) this	
You (13) I'm afraid	
The walls I (14) are crumbling
